1" & 6" GEOLOGICAL FIELD SHEETS

Geological Field Sheets were compiled between 1840 and 1890 and show outcrop, drift and solid geology. These maps are available in **digital format** or as **printed A2 copies**. They are free to view in the GSI Customer Centre. An initial printing charge of €5 applies. Colour prints are €5 each and black & white copies are €1 each. An index for these maps is available from the **GSI Customer Centre**.

AERIAL PHOTOGRAPHY

A National Aerial Photography survey is available to view. Access is priced at €13.00 (€4.00 for Students)
